

WAYS TO REGISTER for the 4th ANNUAL ISCTR SYMPOSIUM

1. Visit the ACC website at

<http://www.accscientificsession.org/registration/Pages/Registrationinformation.aspx>

This method ensures admittance to all ACC.11 events, including the exhibition area. ISCTR members qualify for the ACC membership rate by entering the promo code “ISCTR” when registering on the Contact Information page. Become an ISCTR member here: <http://isctr.org/membership.html>

2. For admittance to the ISCTR Symposium ONLY, email ISCTR coordinator, Kendra Bartels at kbartels@isctr.org.

Cost for attendance to the ISCTR Symposium ONLY:

Members: \$100

Non-members: \$200

Note: No CME or CE is offered with this method of registration.

3. Become an ISCTR member first to qualify for the ISCTR Membership rate.

Sign up for membership at: <http://isctr.org/membership.html>

Membership is \$50 per year and allows for the following benefits:

- Reduced registration rates to the Society’s Annual Symposium.
- Free online access to the Society’s official journal, Journal of Cardiovascular Translational Research,
<http://springer.com/medicine/cardiology/journal/12265>
- Access to educational webinars in the fields of stem cell therapy, genomics, devices, personalized medicine. View details for the current webinar regarding genetic testing:
<http://accwebinars.cardiosource.org/session.php?id=6056>
- Exposure to the leaders in cardiovascular translational research via the ISCTR Membership directory and monthly communications.
- Access to slide sheets of the Annual Symposiums.
